

7. Magna Carta Memorial Runnymede Meadows

Runnymede is synonymous with the words 'Magna Carta' as this was the place on 15th June 1215 that King John agreed to have the 'Great Charter' sealed. This event has later become recognised as one of the most important events in English history as it marked the road to individual freedom, parliamentary democracy and to the supremacy of law.

The Runnymede Explored app will be available in April 2015 providing details of places to visit on the Meadows.

To mark the 800th anniversary of the sealing of Magna Carta in 2015 a series of events will be taking place in Egham and the adjoining Meadows. See www.eghamchamber.org and www.eghamtown.org for details.
